Premium Homeowner's Insurance

Superior Coverage For Your Home.

Flexible Homeowner's Insurance Coverage to Meet Your Needs.

Fidelity's Premium Homeowner's insurance policy provides you with the peace of mind of knowing that one of your most valuable assets is protected in the event of a covered loss.

Life Can Dish Out Large and Small Disasters

Simply put, insurance provides a safety net for you and your family when certain unfortunate events happen like theft, fire or burglary.

Home Replacement

Fidelity's policy covers the cost of rebuilding or repairing your home after a covered loss up to the limits purchased. When your house is insured to a value that should cover the replacement cost, but unexpected rebuilding costs cause a loss to be higher than the policy limit purchased, our Extended Replacement Cost feature provides additional protection.

Broad Protection for your Possessions

Don't be caught with a policy that only covers the actual cash value of your personal property. With the Fidelity National Premium Homeowner's policy you have the added benefit of replacement cost coverage for your personal possessions. This means that you can receive a new replacement of equal quality for your damaged or stolen item, when it's replaced after a covered loss, less your deductible and subject to policy limits. Your personal property is covered for the same types of losses as your building is covered for. Most homeowner's policies provide more limited protection to personal property.

Flexibility and Security

With our Premium Homeowner's insurance, you also have the flexibility to increase your dwelling protection, cover more of your valuables, increase your personal liability and medical coverage and take advantage of numerous discounts.

Additional Coverage Options include:

- ✓ Identity Theft Protection
- ✓ Personal Injury
- ✓ Animal Liability
- ✓ Loss of Use
